

Michelle's Phone Book

Michelle's Phone Book is a resource of community professionals and businesses which are willing to provide their services to Valley single parents with cancer, and their children, on an as-needed, pro-bono basis. This program helps to reduce their stress, alleviate additional expenses, and fill needs which would otherwise go unmet. It also provides a unique and hands-on opportunity for community members to give of their time, talents, and expertise in a way that is rewarding and appreciated. Any services that would benefit our families are welcomed, and are to be at no charge to the parents and children that Singleton Moms serves.
