

## Singleton Phonebook

The Singleton Phonebook is a collection of resources we make available to our Singleton Parents. Community Professionals and Businesses offer their services to single parents with cancer in Maricopa County, free of charge. This program supports our mission as often services provided reduce stress, alleviate additional expenses, and fill needs which may otherwise go unmet. The Phonebook also provides a unique opportunity for community members and businesses to give their time, talents, and expertise in a rewarding way. We have found that this community assistance is not only greatly appreciated by our parents, but has become an affirmation of the fact that they are not alone in their struggle to overcome cancer. We ask that any services offered to our parents and their families be offered on a no charge basis.

Singleton Moms truly appreciates the services that you will be providing to our parents and their children. You will not be contacted directly by one of our Parents, unless a Singleton Mom's representative has first contacted you for approval when a need for your services has been identified.

If you would like to make changes in the number of services you can provide, Please contact Singleton Moms at 480-818-5285 or [contact@singletonmoms.org](mailto:contact@singletonmoms.org).

Please mail this form to Singleton Moms, 7579 E Main Street #700, Scottsdale, AZ 85251 or fax it to (480)304-3160 or e-mail it to [contact@singletonmoms.org](mailto:contact@singletonmoms.org).
